This informative guide thoroughly discusses the powers of Indian tribes; civil and criminal jurisdiction on Indian reservations; Indian hunting, fishing, and water rights; taxation in Indian country; the Indian Civil Rights Act; the Indian Child Welfare Act; and tribal jurisdiction over non-Indians. 522 pgs., U.S. Indian Lands Map.

"Every Indian should read this book."

—**Suzan Shown Harjo**,

*President, The Morning Star Institute
(Cheyenne & Hodulgee Muscogee)*

"This is a remarkable book, and there is nothing else like it. It explains the complex subject of federal Indian law in a clear and concise way. Both lawyers and non-lawyers will find this book very helpful, as I have."

--**Honorable BJ Jones**, *Chief Judge of the Sisseton-Wahpeton Oyate and Prairie Island Indian Community, and Director of the Tribal Judicial Institute*

"As a tribal leader, I have found Stephen Pevar's book to be both an excellent and useful resource."

--**W. Ron Allen**, *Chairman, Jamestown S'Klallam Tribe, and Treasurer of the National Congress of American Indians*

"Stephen Pevar's book is an indispensable part of the toolkit for American Indian lawyers, leaders, and scholars. Nothing is a more accessible, comprehensive, and realistic treatment of modern day tribal sovereignty than The Rights of Indians and Tribes. Another edition of Pevar's ground-breaking work is just cause for celebration."

--**Matthew Fletcher**, *Michigan State University College of Law (Grand Traverse Band of Ottawa and Chippewa)*

"I highly recommend this book. Many federal employees, including myself, rely on it. The book gives clear, useful, and well-documented answers for anyone approaching the vast and often intimidating subject of federal Indian law."

--**Lori Windle**, *Vice-Chair, Society of American Indian Government Employees (Minnesota Chippewa, White Earth)*

Stephen L. Pevar is a Senior Staff Counsel for the ACLU. He taught Federal Indian Law at the University of Denver School of Law for 16 years and has lectured extensively on the subject.
