#### NOTICE OF REMOVAL AND MOTION TO CONSOLIDATE CASES

COMES NOW the Defendant LeClair Irrigation District (hereinafter "LeClair"), by and through its attorneys, and hereby files its *Notice of Removal and Motion to Consolidate Cases* pursuant to 28 U.S.C. § 1362, 28 U.S.C. § 1367, 28 U.S.C. § 1446(b), FED.R.CIV.P. 42(a) and

- U.S.D.C.L.R. 42.1. In support of said *Notice of Removal and Motion to Consolidate*, Defendant LeClair states and alleges as follows:
- 1. Plaintiff, the United States of America, filed an *Amended Complaint* on March 14, 2011, in the United States District Court for the District of Wyoming under Civil Action 10-CV-0093-J and named LeClair as a Defendant.
- 2. The Northern Arapaho Tribe and Eastern Shoshone Tribe as Plaintiff-Intervenors filed their *Amended Complaint* on March 14, 2011, in the United States District Court for the District of Wyoming under Civil Action 10-CV-0093-J and named LeClair as a Defendant.
- 3. Prior to the filing of the above referenced amended complaints in the United States District Court for the District of Wyoming, the Northern Arapaho Tribe and Eastern Shoshone Tribe filed a *Complaint* on November 13, 2010, under Civil Action CV-10-0080, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming. (Attached hereto as Exhibit "A" and incorporated herein by this reference).
- 4. On or about October 26, 2011, the Northern Arapaho Tribe filed a *Motion to Consolidate Cases*, under Civil Action CV-10-0080, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming. (Attached hereto as Exhibit "B", and incorporated herein by this reference).
- 5. Said *Motion to Consolidate* seeks to consolidate a recently filed civil complaint against Star Trucking Corporation under Civil Action CV-11-0075, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming, with Civil Action CV-10-0080 which is that *Complaint* filed by the Northern Arapaho Tribe and Eastern Shoshone Tribe filed

on November 12, 2010, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming against LeClair Irrigation District.

- 6. According to the *Motion to Consolidate* the "cases involve common questions of law and fact and should be consolidated to avoid unnecessary costs, delay and potentially inconsistent verdicts at trial." (Motion to Consolidate at ¶ 3, attached hereto as Exhibit "B" and incorporated herein by this reference).
- 7. Most recently, LeClair Irrigation District was served with a *Third Party Complaint* wherein Star Trucking is the third party plaintiff and LeClair is the third party defendant along with John Hubenka. This Third Party Complaint was filed under Civil Action CV-11-0075, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming. This is the most recent action filed against Star Trucking Corporation by the Northern Arapaho Tribe. (*Third Party Complaint* is attached hereto as Exhibit "C" and incorporated herein by this reference). LeClair filed its *Acceptance of Service* and *Answer* on the 15<sup>th</sup> day of November, 2011.
- 8. The facts alleged in the *Complaint* filed in the Tribal Court against Defendant LeClair Irrigation District, are the same set of facts as alleged in the *Amended Complaints* filed in the United States District Court for the District of Wyoming and relate to the same course of events. This also appears to be true with the *Complaint* against Star Trucking Corporation under Civil Action CV-11-0075, in the Shoshone and Arapaho Tribal Court, Wind River Indian Reservation, Fort Washakie, Wyoming,
- 9. All three *Amended Complaints* filed in the United States District Court, as well as the *Complaints* filed in Tribal Court under Civil Action CV-10-0080 and Civil Action CV-11-0075, name both Hubenka and LeClair as Defendants.

- 10. The *Complaint* filed in Tribal Court against LeClair alleges claims of trespass, negligence, negligent supervision, nuisance, vicarious liability, as well as joint and several liability. Plaintiff's claim for damages in the Tribal Court case against LeClair also includes compensatory damages for a complete restoration of the Big Wind River and repair of harm to tribal lands and the riparian environment along the Big Wind River in an amount to be established at trial. Furthermore, the Plaintiff requests injunctive relief barring Defendants from entering tribal lands and/or manipulating the flow of the Big Wind River in any manner that unnaturally affects the Big Wind River or tribal lands.
- 11. The Tribal case against Star Trucking Corporation also alleges claims and causes of action seeking recovery for Trespass, Negligence, Nuisance and Joint and Several Liability.
- 12. Pursuant to 28 U.S.C. §§ 1332 and 1441(b), the civil actions brought against Defendants LeClair, Hubenka and Star Trucking in the Tribal Court are removable as this Federal District Court has jurisdiction.
- 13. It is further appropriate to remove said *Complaints* from Tribal Court and join said matters with the *Amended Complaints* filed in the United States District Court for the District of Wyoming under Civil Action 10-CV-0093-J pursuant to 28 U.S.C. § 1367 since this Court may exercise supplemental jurisdiction over said State law claims and has jurisdiction over the Northern Arapaho Tribe under Civil Action 10-CV-0093-J pursuant to 28 U.S.C. § 1362.
- 14. Removal and consolidation of said Tribal Court Complaints with the matter currently pending in this Court is also appropriate in that if will avoid unnecessary costs, delay and inconsistent judgments.

15. Removal and consolidation of said matters is also in the interest of judicial economy.

#### COMPLAINT OF NORTHERN ARAPAHO TRIBE

COMES NOW the Plaintiff, Northern Arapaho Tribe ("NAT"), for its complaint against the above-named Defendants and states as follows:

#### Jurisdiction

- 1. NAT is a federally recognized Indian Tribe of the Wind River Indian Reservation.
- 2. Defendant John Hubenka ("Hubenka") is an individual who unlawfully entered tribal lands and manipulated the flow of the Big Wind River (the "River"), causing damage to tribal property, in furtherance of his employer LeClair Irrigation District's objectives, as well as his own personal objectives.
- 3. Defendant LeClair Irrigation District ("LeClair") is an irrigation district organized under Wyoming law that was created to help deliver irrigation water pursuant to a contract with

the United States as trustee for the Northern Arapaho and Eastern Shoshone Tribes ("Tribes") for the benefit of Indian and non-Indian water users.

- 4. LeClair employed Hubenka as foreman of the LeClair Irrigation District.
- 5. Defendants Ray Blumenshine, Terry L. Betts and Mike McDonald ("Blumenshine, Betts and McDonald") are officers and agents of LeClair, responsible for the acts of both LeClair and Hubenka.
- 6. The acts complained of herein occurred on tribal lands, on property held in trust for the benefit of the Tribes by the United States, or caused damage to such lands.
- 7. LeClair, along with its employees and officers, maintains contracts with tribal representatives for delivery of irrigation water within the Wind River Indian Reservation.
- 8. The acts complained of herein constitute a serious threat to the political integrity and general welfare of NAT.

#### Facts Common to All Causes of Action

- 9. At some point in 1999, perhaps earlier, Hubenka, acting within the course and scope of his employment with LeClair and in furtherance of the interests of LeClair, began manipulating the streambed of the Big Wind River (the "River") by adding fill material and moving earth.
- 10. Hubenka, and/or persons acting on his behalf and under his direction, used mechanized equipment to add fill material and move earth for the purpose of altering the channel and streambed of the River.

- 11. The actions described in the two preceding paragraphs were performed with the purpose of diverting the waters of the River in an unnatural manner onto tribal lands lying south of the River.
- 12. On September 20, 2004, the United States charged Hubenka in the U.S. District Court for the District of Wyoming with three criminal counts under the Clean Water Act, and of knowingly discharging dredged and fill material into the River.
  - 13. Hubenka's criminal case was tried to a jury between September 21-28, 2004.
  - 14. Hubenka was found guilty of all three counts.
- 15. Hubenka's conviction was upheld by the U.S. Court of Appeals Tenth Circuit.

  See U.S. v. Hubenka, 438 F.3d 1026 (10th Cir. 2006).
- 16. As part of Hubenka's criminal sentence, he was ordered to remove the dikes that he had constructed from the River and restore the damage caused to the River.
  - 17. Hubenka has never accomplished this task.
- 18. Hubenka's dikes and other constructions continue to impede the natural flow of the River and constitute a continuing trespass on tribal lands.
- 19. Hubenka's dikes and other constructions have diverted the flow of the River onto tribal lands a circumstance which represents a continuing trespass on tribal lands.
- 20. Hubenka's dikes and other constructions caused serious harm and continue to cause harm to the terrestrial ecology of tribal lands and the aquatic habitat of tribal lands.
  - 21. Hubenka's actions damaged and continue to damage riparian vegetation.
- 22. Hubenka's actions damaged and continue to damage a spring creek arising on lands adjacent to the natural course of the River.

- 23. Hubenka's actions were done without approval of NAT, in blatant disregard of the rights and authority of NAT and have infringed on the sovereign rights of NAT.
- 24. Hubenka's actions were conducted with the purpose of taking land from NAT, depriving NAT tribal members of access to lands along the River, and destroying property rights with unique economic, recreational and religious significance to NAT and its tribal members.

#### Claim I. Trespass (against all Defendants)

- 25. NAT incorporates paragraphs 1-24 of its complaint as if fully stated herein.
- 26. Hubenka's invasion and use of tribal lands, and unnatural diversion of the waters of the River onto tribal lands, is an unauthorized violation of NAT's rights of ownership.
  - 27. Hubenka's conduct was and is intentional.
- 28. Hubenka's actions were performed in the course and scope of his employment with LeClair and in furtherance of the interests of LeClair.
- 29. Hubenka's actions were conducted under the supervision of the president, vice president and secretary/treasurer of LeClair.
- 30. As a direct result of Hubenka's actions and conduct as stated above, NAT has suffered damages.
- 31. At the time of the actions and conduct complained of, Defendants had an obligation to respect the property rights of NAT and to abide by the laws of the Shoshone and Arapaho Tribes.
  - 32. NAT is entitled to damages in amounts to be established at trial.

#### Claim II. Negligence (against all Defendants)

33. NAT incorporates paragraphs 1-32 of its complaint as if fully stated herein.

- 34. Defendants had a duty to refrain from unreasonable conduct that would damage the River, the riparian ecology of the River, and the property rights of NAT.
  - 35. Defendants' conduct constitutes a breach of that duty.
  - 36. As a result of Defendants' breach of this duty, NAT has suffered harm.
- 37. Negligent conduct by Defendants was an actual cause, a proximate cause, and a foreseeable cause of the harm suffered by NAT.
- 38. The harm caused by this negligent conduct of Defendants is continuing and will continue until the dikes and other constructions are removed from the River, and the River and surrounding riparian environment are restored.
- 39. As a result of this negligent conduct, NAT is entitled to damages in amounts to be established at trial.

## Claim III. Negligent Supervision (against Defendants LeClair, Blumenshine, Betts and McDonald)

- 40. NAT incorporates paragraphs 1-39 of its complaint as if fully stated herein.
- 41. LeClair, Blumenshine, Betts and McDonald had a duty to supervise Hubenka to ensure that he caused no harm to the River, riparian habitat, adjacent property or to NAT during the course and scope of his employment with LeClair.
- 42. LeClair, Blumenshine, Betts and McDonald breached this duty by allowing

  Hubenka to build and maintain dikes and other constructions in the course of his employment with LeClair.
  - 43. As a result, NAT was harmed and suffered damages.

- 44. The harm caused by this negligent conduct of Defendants is continuing and will continue until the dikes and other constructions are removed from the River, and the River and surrounding riparian environment are restored.

- 48. Defendants' conduct as described herein creates a nuisance.
- 49. Defendants' conduct has substantially interfered with the right of NAT and its tribal members to make use of and enjoy tribal property damaged by Defendants' conduct.
  - 50. Such interference is unreasonable, is ongoing, and constitutes a continuing harm.
- 51. As a result of Defendants' interference, NAT has suffered damages in amounts to be proven at trial.

## Claim V. Vicarious Liability (against Defendants LeClair, Blumenshine, Betts and McDonald)

- 52. NAT incorporates paragraphs 1-51 of its complaint as if fully stated herein.
