BELCOURT, NORTH DAKOTA

TMAC-11-020

Brian Laducer
Plaintiff-Appellee,

vs.

ORDER DENYING PETITION
FOR INTERLOCUTORY APPEAL

Dish Network Service L.L.C.
Defendant-Appellant

Dish Network has petitioned this Court for review of a decision of the lower court sustaining its jurisdiction over an abuse of process suit filed by Mr. Laducer against Dish Network. The Court has reviewed the matter and finds that although it has discretion to hear the matter at this time a full development of the record after trial would better aid the Court in determining the lower court's jurisdiction.

Wherefore the Court having reviewed the file and good cause having been shown

Wherefore, after due consideration it is hereby

ORDERED, ADJUDGED, AND DECREED that the petition for permission to appeal is hereby DENIED without prejudice to the right of the Defendant to seek review after a final disposition of the matter before the lower court.

So ordered this 6th day of February 2012.
