Attached is the letter from Tribal Elder Robert Chasing Hawk Sr. received by CashCall, Inc. Note that the copy which was sent to me did not include the Demand for Arbitration which is referenced in the letter as being enclosed, but I understand from our call just now that you have received CashCall's Demand for Arbitration by certified mail, which caused you to call CashCall and seek to speak to Mr. Dan Baren about the arbitration deadlines.

If you need an extension on your arbitration response, CashCall would not oppose it. In addition, since you are not available on May 7 through May 9 - the dates proposed in the letter - because you will be out of town, please coordinate with us when you obtain alternative dates from the arbitrator.

Also, please direct future calls to either Andrew Shapiro or to me instead of to CashCall directly.

Thank you, and have a good weekend!

Sincerely,

Christopher S. Carver
