Mohawk International Raceway

Saturday, August 22, 2015

FOR IMMEDIATE RELEASE

Akwesasne Mohawk Territory, April 20, 2015 – On June 4, 2014, Ieweras Gray unfortunately and far too young passed away after valiantly battling Leukemia at the age 16. Even at such a young age, Ieweras had a vision. Her vision, after persevering through the trials and tribulations of being diagnosed with this devastating cancer at the age of 5, was to assist in any manner possible those in need enduring the same hardships that accompany fighting this deadly disease.

In her memory and guided by her living spirit, The Ieweras Gray Foundation sponsored by Headrush Brand Apparel and the Tarbell Management Group family of companies and all other sponsors, proudly presents *The Ieweras Gray Foundation Auction, Motorcycle Run & Concert: The First Annual Charity Auction, Bike Run & Concert Benefitting Families in Need of Supplementary Health Care Funds*. This event is to be held at the Mohawk International Raceway 313 Frogtown Road, Akwesasne, New York, 518.358.9017 on Saturday August 22, 2015 beginning: Motorcycle Run at 10 am; Concert at noon and Auction at 4 pm.

The number one priority of these combined events is to increase awareness and raise donation funds on behalf of families impacted by cancer (and other major health care issues) in need of supplemental funds for activities and unforeseen expenses associated including but not limited to: lodging, fuel, food and alternative medicines. All proceeds from the Auction, Motorcycle Run and Concert will go to families and causes deemed in need by the Foundation Board of Directors.

These monetary donations, while critical and crucial to the administration of the treatment and healing process for those dealing with health related issues, primarily serve to relieve the overwhelming stresses that affect the family and friends of those in need and will allow loved ones to focus their efforts on the healing process.

Tickets are \$25.00 with limited VIP tickets for \$50.00 and now available at www.iewerasgrayfoundation.org and at 5 Garrow Road, Akwesasne Mohawk Territory. Tickets for this event are expected to sell out.

For details on the Auction, Motorcycle Run and Concert, more information is located at <https://www.facebook.com/iewerasgrayfoundation> or by contacting Sakoieta James Gray.
