IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

Carol Coghlan Carter, et al.,

Plaintiffs,

v.

Kevin Washburn, et al.,

Defendants.

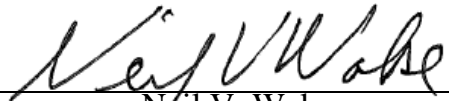

No. CV-15-01259-PHX-NVW

ORDER

Plaintiffs' Civil Rights Class Action Complaint for Declaratory and Injunctive Relief names as plaintiffs Baby Girl A.D., Baby Boy C., and the foster/adoptive parents of Baby Girl A.D. and Baby Boy C. (Doc. 1.) Regarding Baby Girl A.D., the Complaint alleges that the tribe likely would seek in state court a transfer of the case to tribal court. Regarding Baby Boy C., the Complaint alleges that the application of ICWA was delaying his adoption. The parties have informed the Court that the foster parents of Baby Boy C. have adopted him, the state court denied Gila River Indian Community's Motion to Transfer Baby Girl A.D.'s case to tribal court, and Gila River Indian Community filed a notice of appeal from the denial. During oral argument on December 18, 2015, Plaintiffs' counsel indicated that Plaintiffs may amend their Complaint and add additional plaintiffs.

1 IT IS THEREFORE ORDERED that by **February 29, 2016**, Plaintiffs file a status
2 report that includes whether and when they plan to amend their Complaint and add
3 additional plaintiffs.

4 Dated this 22nd day of February, 2016.
