

UNITED STATES DISTRICT COURT  
DISTRICT OF MINNESOTA

UNITED STATES OF AMERICA,	)	Criminal No. 16-006 (MJD/LIB)
	)	
v.                        Plaintiff,	)	
	)	<b>OBJECTION TO REPORT AND</b>
NODIN MAKWA,	)	<b>RECOMMENDATION</b>
	)	
Defendant.	)	

The defendant, Nodin Makwa, through his counsel, Douglas Olson, objects to the Report and Recommendation in this case, requests that the Court not adopt its findings and recommendations, and requests that the Court issue an order dismissing the case for lack of jurisdiction and for failure to appropriately charge a federal offense. The defendant specifically objects to the Report and Recommendation to the extent that it recommends that Defendant’s Motion to Dismiss for Lack of Jurisdiction and Improper Charging [Docket No. 26] be denied.

Defense counsel ordered the motion’s hearing transcript in order to write the memorandum in support of this objection, and the transcript arrived today. Counsel needs more time to incorporate the motion hearing testimony into the body of this objection memorandum, and requests that the court permit counsel until next Tuesday, April 12<sup>th</sup> to file a memorandum in support of this objection. Counsel is currently writing an Eighth Circuit brief and a Sentencing Position Paper in two other cases and would greatly appreciate this extension so that counsel can fully brief the important issues raised by the motion presented here and also incorporate the motions hearing transcript into the

objection memorandum. Accordingly, an extension until Tuesday April 12, 2016, to submit a supplemental brief in support of this objection is requested.

Dated: April 6, 2016

Respectfully submitted,

*s/Douglas Olson*
