

DECLARATION RE: DENIAL
OF HEALTHCARE

I, Adaline T Aure, declare as follows:

1. I am over the age of 18 years, have personal knowledge of the information contained in this declaration, and am competent to testify thereto if called as a witness.
2. I am the wife of enrolled member Dominidor Aure of the Nooksack Indian Tribe who has been targeted for disenrollment by a holdover Nooksack Tribal Council with no authority to act, per a final agency decision of the Office of the Assistant Secretary – Indian Affairs.
3. At 2:15 p.m. today I spoke to the Walgreens Pharmacist, Mandie, located at 4090 Meridian St, Bellingham, WA 98226.
4. She confirmed she had received a list from NITC yesterday, November 28th, with eligible patients names and Dominidor Aure is no longer on that list.
5. The pharmacy was unable to fulfill his prescription because, according to the pharmacist, we were not on a list provided to Walgreens by the holdover Nooksack Tribal Council yesterday with instructions any one not on that list is not entitled to Nooksack health coverage. I asked for a written statement and she was unable to do so. She could, if Dominidor provides a new prescription, submitted it, then she could provide a statement.

6. At 3:45 p.m. today I went to the Nooksack Tribal Health Clinic to find out why this was happening. I was informed by an employee, Angie Manager, that she had been given orders yesterday that the individuals on a list were no longer be serviced at the clinic. I asked her, "what do these patients do when they literally survive daily on these medicines and now they cannot have them paid?" She responded, "I will talk to them," but there was nothing that she could do.

7. At 4:15 p.m. today I went to the Nooksack Tribal Dental Clinic and was informed that my 12 year old son, Sean Giovanni Coleman's, dentist appointment, that was scheduled on Dec 9th, 2016 was canceled because he was not on a list of Nooksacks who are eligible for services because he had been disenrolled from the tribe.

8. The foregoing statement is made under penalty of perjury and under the laws of Nooksack Tribe, the State of Washington, and the United States, and is true and correct.

DATED this November 29, 2016.
