

EARTHJUSTICE

BECAUSE THE EARTH NEEDS A GOOD LAWYER

Associate Attorney Denver, CO

Earthjustice is the premier nonprofit environmental law organization. We take on the biggest, most precedent-setting cases across the country. We wield the power of law and the strength of partnership to protect people's health; to preserve magnificent places and wildlife; to advance clean energy; and to combat climate change. We partner with thousands of groups, supporters, individuals and communities to engage the critical environmental issues of our time, and bring about positive change. We are here *because the earth needs a good lawyer*.

Founded in 1971, Earthjustice has a distinguished track record of achieving significant, lasting environmental protections. We achieve this by hiring people who share a passion for justice and a healthy environment. Our headquarters are in San Francisco with offices in Anchorage, Juneau, Los Angeles, Chicago, Tallahassee, Honolulu, New York, Philadelphia, Denver, Seattle, Bozeman, Miami and Washington, D.C.

The Rocky Mountain Office of Earthjustice, located in Denver, Colorado, is seeking qualified applicants for an Associate Attorney position to begin work in the summer or fall of 2020. The Associate Attorney program is a three-year position designed to help attorneys who are in the early stages of their careers develop into thoughtful, professional, and effective advocates skilled in the various phases of public interest litigation. As Associate Attorneys gain experience, they gradually take on more independent responsibility for their cases, but work throughout their tenure under the supervision of the Supervising Staff Attorney. Many Associates have gone on to other positions within Earthjustice and with other public interest organizations.

The Rocky Mountain Office has eleven litigating attorneys, including this position, who handle a wide range of cases. The Rocky Mountain Office's work focuses on Colorado, Utah, and Arizona, and its cases primarily involved (1) protecting public lands and wildlife from fracking, mining, and other threats; (2) quickly shifting Colorado and nearby states from dirty to clean energy; and (3) protecting urban and rural communities disproportionately impacted by pollution and other environmental harms. This Associate position will work on all types of cases in the Rocky Mountain Office. Our goal is to produce the highest quality legal work in a diverse, inclusive, supportive, and collegial environment.

The Rocky Mountain office is located in the heart of downtown Denver near the federal and state courthouses, public transportation, and the vibrant LoDo, RiNo and Capitol Hill neighborhoods. We are a bike-friendly office, located near many of Denver's bike paths.
