Defendant.)	

The defendant, Diondre Stately, by and through his attorney, Douglas Olson, respectfully moves the Court pursuant to Rule 12, Federal Rules of Criminal Procedure, to suppress any physical evidence obtained as a result of a search and seizure on the following grounds: The government executed a search warrant on Mr. Stately's Facebook account and the warrant was not supported by probable cause and was overly broad to such a degree that it could not be relied upon in good faith.

The defense requests four corners review of the warrant and will ask that it be offered by the government at the motions hearing; the defense will ask for post-hearing briefing on the deficiencies in the warrant.
