STATE OF UTAH)
 : ss.
COUNTY OF SALT LAKE)

RODNEY R. PARKER, being first duly sworn, makes the following statement:

1. I am an attorney for John P. Jurrius in this case and have personal knowledge of the facts set forth herein.

2. The basis for an award of attorney's fees is this court's Memorandum Decision and Order of March 31, 2021 (Dkt. 260), which provides in pertinent part:

As such, the Tribe is **HEREBY ORDERED** to pay Becker and Jurrius the fees in prosecuting his matter. This time shall include any and all time expended in, and otherwise related to: drafting the Notice of Intent to Serve Subpoena upon Snow Christensen & Martineau (ECF No. 205); responding to the Motion to Quash (ECF No. 206); drafting the Motion for Protective Order (ECF No. 214); responding to the Order to Show Cause (ECF No. 221); preparing for and attending any hearings held on the same. Becker and Jurrius are **ORDERED** to, within **ten (10) days** of the date of this order, to submit to the court a sworn and itemized statement showing the actual time expended in such matters and the rate at which fees were computed. (*Id.*, p. 27.)

3. Attached as Exhibit A is a report from SC&M's accounting system containing detailed descriptions of the attorney's fees incurred in connection with the representation of Mr. Jurrius in this case within the parameters of the court's order, calculated as of April 12, 2021. These entries correspond to the amounts actually billed to the client for the services described.

4. I believe that the hourly rates charged are consistent with the prevailing hourly rates in the community for similar services, and that such fees are reasonable.

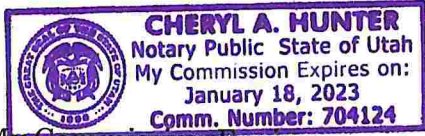

5. The foregoing fees were reasonably necessary in the representation of Mr. Jurrius in this case.

DATED: April 12, 2021.
