U.S. COURT OF APPEALS  
EIGHTH CIRCUIT

**TO  
THE MEMORY  
OF  
FELIX S. COHEN  
(1907-1953)**

*Like the miner's canary, the Indian marks the shifts from fresh air to poison gas in our political atmosphere; and our treatment of Indians, even more than our treatment of other minorities, reflects the rise and fall in our democratic faith. . . .*

Felix S. Cohen (1953)

2.)

March 20, 2021 (Sat.) First day of spring.

"The policy of leaving Indians free from State Jurisdiction and control is deeply rooted in the nations history")page 273 of Felix S. Cohens book. Episcopal church atty. Robert J. Maule LIED in order to get SETTLEMENT CHECKS FROM CHICAGO, ILL. LAWSUIT INTO STATE JURISDICTION IN WINNER, SOUTH DAKOTA. HE FILED ESTATE/PROBATE PAPERS AT WINNER, SD COURT HOUSE. WE ARE NOT FROM THIS AREA.

"and the supreme court has held that this "Tradition of soverright y" is the back drop against which the applicable Treaties and federal statutes must be read". Did Federal Judge Karen Schrier read this and/or something similar? In order to arrive at her final decision and order of dismissal on Feb. 24, 2021.?

"The treaties also established a dependent relationship of the tribes to the federal government. The tribes placed themselves under the United States protection, and the federal government undertook to guarantee that protection. Alienation of tribal property was made a federal monopoly and federal laws were enacted to protect Indians against crimes by NON-INDIANS." Episcopal Church atty Robert J. Maule et al violated this law/treaty as well by stealing Cheryl Montileauxs settlement checks and estate by lying to our Chicago, IL atty. Valerie A. Leopold that the two settlement checks belonging to A. Cheryl Montileaux had "to go through an Estate Proceeding here in South Dakota, because Cheryl Montileaux died. We know know that she was killed for financial gain by the Crooks/Defendants in the 1868 Treaty Lawsuit dismissed by Judge Karen Schrier on Feb. 24, 2021 in Rapid City, SD.

-----  
page 274 Felix Cohens book. "To carry out the policies underlying Treaties with Indians and protective federal statutes, the Supreme Court has followed several related rules of construction which bear importantly on the scope of preemption of state laws". Again, Episcopal church atty. Robert Maule illegally stole 2 settlement checks from our Chicago, IL atty. Valerie A. Leopold and filed STATE OF SOUTH DAKOTA COURT DOCUMENTS IN WINNER, SD ALLOWED BY CIRCUIT JUDGE MARVIN TALBOTT, ALSO EX-FBI AGENT, IN WINNER, SD.

"Treaties and other bilateral agreements with Indians are INTERPRETED AS THE INDIANS WOULD HAVE UNDERSTOOD THEM.. Treaties and Federal Statutes are interpreted in favor of retained tribal self-government and PROPERTY RIGHTS as against competing claims under state under state law. Doubts or ambiguities in Treaties or statutes are RESOLVED IN THE INDIANS FAVOR" I included in the original complaint filed in Rapid City, SD federal court, that Atty Robert J. Maule used illegal STATE COURT DOCUMENTS to steal 2 settlement checks that belonged to Enrolled tribal member (Protected under 1868 Treaty Law-Supreme law of the land) Then corrupted Fed. Prosecutor "Ted the Fed" Mc Bride, they both in criminal collusion worked against me. (later Deceased Federal Judge Andrew Bogue, who knew Robert Maule and Bishop Craig B. Anderson, they are all friends and members of the Episcopal church, in violation of judicial ethics and laws, (Did not recuse himself) ruled against me, in collusion with the Defendants. (He, Judge Andrew Bogue was given AN IMPRESSIVE EPISCOPALIAN FUNERAL WHEN HE DIED). Federal Indian laws are interpreted liberally toward carrying out their protection purposes".

page 2.) of March 20,2021 writings.

From Felix Cohens book.(Quotes).

"The Supreme Courts preemption decisions indicate that respect for the independent role of the states in the federal system is an important policy consideration counseling against a finding of preemption in doubtful cases. This policy has significantly less impact when tribal self government is concerned, because the tribes are also distinct political entities within the constitutional system".

CONCERNING FEDERAL JUDGE KAREN SCHRIERS FINAL ORDER ON OUR 1868  
TREATY LAWSUIT.9dismissed on february 24,2021

-----  
We did not receive a notice that there would be a hearing on our  
1868 Lawsuit in Rapid City,SD Court house. We received an ORDER  
dated Feb.24,2021 on Feb.25,2021.(There is no statute of Limitati  
-on for MURDER of A. Cheryl Montileaux and my Counselor Edwin  
Hankaa,M.Div.This was reported and a part of the 1868 Treaty Suit  
in Rapid City,SD.And also reomrted to United States Atty. for S.  
Dakota,Ronald A. Parsons Jr.(Aug.26,2020 letter)(He did not cause  
an INVESTIGATION and/or contact the F.B.I. with this information.

Also to be considered is the criminal collusion by "Ted the Fed",  
Mc Bride and Fed. Judge Andrew Bogue. "Ted the Fed.",Mc Bride  
allowed and worked with Epis. church atty Robert J. Maule agains  
-t me.(for financial gain? or?) Federal Judge Andrew Bogue dismis  
sed a 2005 lawsuit that I filed,(He DID NOT RECUSE HIMSELF.He is  
/was an EPISCOPALIAN MEMBER,and personally knew Epis.Atty.Robert  
J. Maule and Episcopal Bishop Craig B. Anderson. This is a BIG CO  
-nFLICT OF INTEREST. And/or criminal collusion. WHEN Judge Andrew  
Bogue died ,he was given a very impressive episcopalian funeral.

May 1,2019-New F.B.I. Chief for 3 states,(SD,ND,and Minneapolis  
)Director Jill Sanborn was sent letter with 4 pages asking for a  
CRIMINAL INVESTIGATION concerning basically the same crooks in  
the 1868 TREATY LAWSUIT dismissed by Karen Schrier on Feb.24,21.  
Director Jill Sanborn has not answered the letter(2 years ago)Why  
? Was she advised NOT to answer my letter?.

Federal Judge Jeffrey L. Viken was recused by the Plaintiffs from  
hearing our 1868 TREATY LAWSUIT,Judge Karen Achrier was appointed  
by Chief Federal Judge Roberto Lange to replace Jeffrey L. Viken,

and preside over our lawsuit..Jeffrey L. Viken is presently under  
investigation by the 8th Circuit court of aappeals,St. Louis,MO.

AGAIN, The Plaintiffs,state that the Defendants in the 1868 Treat  
-y lawsuit SHOULD NOT BE ALLOWED TO GET AWAY WITH VERY SERIOUS  
MAFIA LIKE CRIMINAL ACTIVITY.

Furthermore,we notr that the Rapid City,SD federal court hurriedl  
-y dismissed our lawsuit on Feb.24,2021,after we filed a complain  
-t against Fed. Judge Jeffrey L. Viken,with the 8th Circuit court  
of Appeals in ST. Louis,MO.(We were Not notified that there was t  
to be a hearing on this,we received a dismissal order on the 25,t  
th of Feb.2021(Very serious complaint and motion attachments were  
either dismissed and/or rendered moot by the dismissal order of  
Fed. Judge Karen Schrier on Feb.24,2021.)

Feb.23,2021 United States Atty. for South Dakota Dist.Ronald A.  
Parsons announced his resignation effective onFeb.26,2021.(As not  
-ed HE did not investigate very serious crimes reported to him.  
(Aug.26,2020 letter)He reportedly resigned to practice Law in the  
City of Sioux Falls,South Dakota,the very place where the stolen  
Trust Funds were found(First National Bank in Sioux Falls,SD unde  
Chap.of Calvary Cathedral" Holding co. for Epis. church in SD.

United States Atty. for the SD federal Dist.was reported to the  
"acting Atty.General for U.S." Wilkensen for NOT Investigating  
VERY serious crimes reported to him by Criminals who own banks  
in HIS HOME TOWN of Sioux Falls, South Dakota.

CONCERNING FEDERAL JUDGE KAREN SCHRIERS FINAL ORDER ON OUR 1868  
TREATY LAWSUIT. DISMISSED ON FEB. 24, 2021 (Page 3.))

-----24, 2021-----  
We understand Judge Karen Schriers dismissal of our 1868 Treaty  
Lawsuit as basically saying, "Her Federal Court does not have Juri-  
-sdiction, only Court of Claimes has exclusive jurisdiction, thus  
we, Montileauxs may sue the United States under treaty and Tucker  
Act. That the individuals (Defendants) we are suing ARE NOT THE UNI  
TED STATES, THUS WE CANT SUE THEM." We wish to point out with all  
due respect that in addition to the Treaty Lawsuit that Judge Sch-  
-rier dismissed on July 24, 2021, WE, (I), Judge Charles T. Montilea  
ux also REPORTED in our complaint very serious crimes committed b  
by the "Mafia-like crooks (Part of motions and other documents tha  
-t were either DISMISSED and/or rendered moot by judge karen schr  
iers dismissal dated feb. 24, 2021) Furthermore, the very serious  
crimes/MURDERS reported to United States Attorney for South Dakot  
a, Mr. Ronald A. Parsons (Aug. 26, 2020 - which is also filed as suppo  
rting document to MOTION TO PROTECT PLAINTIFF MIRIAM MONTILEAUX  
FROM STATE OF SOUTH DAKOTA CUSTODY. This was either Dismissed and/  
or rendered MOOT by Judge Schriers dismissal Feb. 24, 2021.)

There are other MOTIONS filed with the Dist. Court that are very  
crucial for THE EIGHT CIRCUIT COURT OF APPEALS TO SEE. In order t  
to SEE the whole story. For instance, I document Cheryl Montileau  
xs body taken to Feigum-Hall funeral home in Pierre, SD with out m  
my permission and there was NO AUTOPSY done. They EMBALMED HER bo  
dy WITH OUT MY KNOWLEDGE AND/OR PERMISSION. THE Episcopal crooks  
worked the funeral home (To cover-up murder for financial gain. I  
Also have documents that the bishop worked with the funeral home.  
My signature is not on any funeral home document. It was the crook  
s that handled everything and I was ordered to have i night of  
wake service by Bishop Craig B. Anderson, one of the MAFIA crooks

This supporting document was either DISMISSED AND/OR RENDERED MOO  
T BY JUDGE KAREN SCHRIERS DISMISSAL. If the motions and documents  
submitted to the dist. court in Rapid City, SD are all read in the  
ir entirety, it will give a fuller picture of the Many high abd  
prominent officials who are NAMED therein. There shoould have bee  
n a FEDERAL INVESTIGATION CONDUCTED BY U.S. ATTY RONALD A PARSONS  
AGAINST THE NAMED CRIMINALS. (We wish to point out that Mr. Parson  
s in his "distinguished career", prosecuted many people vigorousl  
y for less serious crimes then the Serious crimes reported to him  
(Aug. 26, 2020 letter). There is a histoty of federal employees  
mis-conduct against me and kids in the past. (Mentioned elsewhere  
in these documents).

CONCERNING FEDERAL JUDGE KAREN SCHRIERS... page 4.)

In order to SHOW federal court/Federal employees MISCONDUCT  
It is imperative that I include the following 3.typed documents.

1.) January 26,2021 article found on "THE INTERCEPT" that exposes federal prosecutors misconduct.It self explanatory. I mention "Ted the Fed", Mc Bride,Then US ATTY General Janet Reno, G.Allen Carver Jr. (Please read very carefully). *with A. and P.*

2.) Letter written to Agent Jill Sanborn(Then director of 3 state s SD,ND,MN. NOW Assistant Director of Counter Terriorism Division Washington,DC. She has NOT answered this letter-Its now 2 years later. Why isnt she NOT answering?)

3.)CONCERNS OF FEDERAL COURT ALLOWING ATTY CHARLES ABOUREZK TO USE THE COURT TO COVER UP CRIMES. (Please read this very carefully as atty Charles Abourezk was reported to"Can have people killed". He misused his position as chief Judge of Oglala Sioux Tribe and illegally suspended me with pay,after I asked him in memo his role in stealing our trusts Millions of dollars found at First National Bank In Sioux Falls,SD on Aug.16,2019 by Miriam Montileaux.They MAFIALIKE CROOKS AND EPISCOPAL CHURCH REFUSE TO RETURN OUR TRUSTS THUS THE TREATY LAWSUIT.

1.) 3 pages with A.  
B.

I found a very interesting article by "THE INTERCEPT". by Brook Williams, Samantha Joshi and Shawn Musgrave. entitled "HOW THE SECRETIVE DISCIPLINE PROCESS FOR FEDERAL PROSECUTORS BURIES MISCONDUCT CASES". Dated Oct. 10, 2019.

Alex Kozinski, Chief Judge of United States Court of Appeals for the 9th Circuit reportedly issued a "Scathing rebuke", of Federal prosecutor(s) misconduct. Article by Radley Balko of Washing Post. (June 9, 2014. "Exposing corrupt Federal Prosecutors". The articles describe the results of Dept. of Justices "Black hole" that conceal prosecutors identity even when charged with, "Professional Misconduct". There are nick names for the federal offices that handle complaints against Federal Prosecutors, such as "Roach Motel" and also "Bermuda Triangle". Because when complaints against Federal Prosecutors go in, they never come out. The article goes on for a lengthy period, however, I am convinced that the point is made for my purposes. This is not an attack against Federal Prosecutors, as I know many fine Prosecutors in my 17 years as a Tribal Judge on the Pine Ridge Indian Reservation.

I reported very serious crimes to United States Prosecutor Ted Mc Bride of Rapid City, SD. in 1999. (See Docs) Earlier I contacted The United States Attorney General, Janet Reno, appointed a year before. She forwarded my letter/Complaint to G. Allen Carver Jr. of F.B.I. Fraud section, Washington, D.C. Director Craver responded Oct. 4, 1994, (By Donald Foster). He instructed me to contact local Federal authorities with any information/evidence that I may have if warranted, They can conduct an investigation. That's the reason I contacted U.S. Attorney Ted Mc Bride of Rapid City, SD with info that I felt "Warranted a Federal Investigation". Episcopal church attorney Robert J. Maule (deceased) stated that he "Knew", that I contacted "A U.S. atty", in his answer to the South Dakota state Bar, in answering my complaint against him. (Docs available). The only U.S. atty that I contacted was Ted Mc Bride of Rapid City, SD. How Church atty Robert Maule knew this is unknown to me. Robert Maule in his 2000 response gives a lot of information to the S.D. State Bar that he withheld from me, (Obviously to deceive/mislead) NOW, that the stolen TRUSTS worth millions belonging to us, The MONTILEAUX FAMILY, RIGHTFUL AND LEGAL OWNERS, I have been found on August 16, 2019 at the First National Bank in Sioux Falls, So. Dak Under "THE CHAPTER OF CALVARY CATHEDRAL" the holding company for the Episcopal Church of South Dakota, with Randy Reinartz as TRUSTEE. Reading Robert Maule's letter and many documents after 30 years of investigation, (Paints the U.S. Atty. Ted Mc Bride and many other officials in a very bad light.) This is the reason for the present 1868 Treaty Lawsuit in Rapid City, SD Federal Court. It is before Honorable Karen Schrier, (With the recusal of Judge Jeff L. Viken). Many documents were utilized in order to get the investigation together, and file the Lawsuit and to recover the stolen TRUSTS worth millions found on Aug. 16, 2019 at First National Bank in Sioux Falls, S.D.

On July 13, 1994 wrote to United States Attorney general Janet Reno, Washington, DC, I asked for an investigation into Farmers state bank of Winner, SD later it became NORWEST BANK. (This request for investigation was due to much criminal activity at bank by Episcopal church attorney, Robert Maule and crooks.

Attorney General Janet Reno my request for an investigation to the office of G. Allen Carver Jr. , Acting Chief, Fraud Section. (Dept. of Justice Criminal Division.)

On Oct. 4, 1994 I received a letter from Acting Chief G. Allen Carver Jr. (By Donald Foster-Deputy Chief) (see official document). It stated that it was a response to my July 13, 1994 letter to the attorney general requesting an investigation into the above mentioned bank. It stated that if I beleive that the complaint involved the possible violation of federal laws, to contact federal authorities in my area. That I can supply the authorities with any evidence that I have of violation of federal laws.

I contacted U.S. attorney Ted Mc Bride of Rapid city, South Dakota by letter and phone calls. There was NO response from him. (In 2000 while answering my complaint against Church attorney Robert Maule, He wrote that he knew that I contacted the U.S. attorney in my investigation of them.) Robert Maule may have had contact with Mr. Mc Bride, which of course is illegal and unethical, as well as criminal. We now know that Church atty. Robert Maule and Judge of Winner, SD Max Gors stole millions of dollars of our money (May 1991). The stolen TRUSTS were found on Aug. 16, 2019 by Miriam Montileaux at the First National Bank in Sioux Falls, South Dakota, Under Chapter of Calvary Cathedral. This is the holding company for the Episcopal diocese of SD. Under Trustee Randy Reinartz (criminal))

B.

It is unclear why US ATTY Ted Mc Bride overlooked/ignored me and my serious complaints(see Docs)I was directed to Fed.authorities by G.Allen Carvers office.Criminal Division of U.S. Dept. of Justice. It was later determined that the Judge in Winner,SD who allowed Chuurch atty Robert Maule to file Documents that were esentially "Illegal" as we were not from this area. was a former Federal Bureau of Investigation agent,F.B.I.)This info.from a Winner,SD atty(See letters from Judge Marvin Talbott to me). Using these illegal documents issued by the Winner,SD court,Robert Maule and crooks committed many crimes,including;forgery,bank fraud etc,and many other crimes that were duly reported to state and federal authorities,with NO investigation conducted by either state or federal authorities. When Judge Marvin Talbott realized that I was investigating this he did write me and inform me what court documents were filed by Atty Robert Maule.(See Judge Talbott letters to me).When the investigation by me was getting very intense with our chicago Atty.Valerie Leopold involved,and stated that it was Robert Maule and dakota people that were handling estate proceedings in South Dakota, Judge Marvin Talbott retired in 1991. This allowed Max Gors to become the judge of Winner,SD(Max Gors and Robert Maule worked together to steal millions of our trust funds and cover up their criminal activity.(see Talbott letters) Stolen Trust funds were found on Aug.16,2019 at First National Bank in Sioux Falls,SO.Dak, by Miriam Montileaux.

Dear Agent Sanborn,

Greetings and blessings to you from the Pine Ridge Indian Nation! May Gods blessings always be with you. I wrote to you in May 2019 when you were still in Minnesota(in charge of North Dak.,South Dak and Minn.) I fowarded you 4 pages and asked for your intervention and investigation into very serious crimes. In Aug.16,2019 we found our stolen trust funds in a Sioux Falls,SD Bank. Its possible that your letter to me got lost in the mail. Can you please write and let me know what action was taken by you in reference to my May,2019 letter and 4 pages sent to you,

(Means of Fed Court allowing atty Charles Abourezk to use the court to cover-up crimes,

Typed March 18, 2021(Th.)

An example of THE RAPID CITY FEDERAL COURT ILLEGAL AND CRIMINAL CONDUCT.(allowing Atty. Charles Abourezk to use the Federal court as "prosecution witness" against Defendant Arlo Looking Cloud, then turning around and allowing, Atty Charles Abourezk to be Co-counsel to Arlo Looking Clouds defense team AND even allowing Charles Abourezk to- his law partner, Robin Zephier to conduct some kind of "PSYCHO DRAMA THERAPY ON ARLO LOOKING CLOUD". It apparently did NOT work-AS defendant Arlo Looking Cloud STILL named atty Charles Abourezk at the home of Bill Means the night before ANNA M. AQUASH was brutally Raped then executed (shot in head) while she prayed for her children.

-----

Atty John Rusch, Miriam Montileauxs friend said to her, upon reading my statement against atty Charles Abourezk, "Charles Abourezk can have people killed", Where Miriam Montileaux asked "Is this a threat against my dad?" He responded, "no, not at all". And I was almost killed in a so-called "car-accident" on March 19, 2020 in Rapid City, SD. (Charles Abourezk and I had serious trouble, because as Chief Judge of Oglala Sioux Tribe (where I was judge for 17 years BEFORE he came, .He tried to control me and tried to use his position as Chief Judge against me. He did not want me to investigate and write against "Mafia like crooks", who stole millions from us. When I wrote him a memo asking his role in the crimes against us, he IMMEDIATELY SUSPENDED ME AS ASSOCIATE JUDGE WITH PAY. (see documents).

-----

From the INTERNET. "Federal court of South Dakota allowed atty Charles Abourezk to do the following (illegal-criminal collusion?) Who was the Federal Judge, prosecutors? etc. Federal officials that allowed this criminal collusion?)

"Charles Abourezk who inserted himself into ARLO LOOKING CLOUDS Pre-trial preparations in an effort to discover what testimony Arlo would give and how wide the loop might be. Employing a process sometime referred to as "Psycho-drama", .Strange isn't it that in spite of Arlos statements that CHARLES ABOUREZK was present at Bill Means home when the call came to murder Anna M. Aquash Arlos atty (Tim Rensch? Friend of Atty. John Rusch who told Miriam Montileaux that "Charles Abourezk can have people killed") Would have allowed Atty Charles Abourezk any form of contact with Arlo? Charles Abourezk has portrayed his contact with Arlo Looking Cloud as being ex-parte, a sort of friend of the court whose sole purpose was to facilitate Arlos defense apparently with the belief that NO ONE WOULD NOTICE THE firm owned by both and his father not only represented various A.I.M. members but had a long history of doing so-a clear conflict of interest".

The only problem we have is Dennis Banks and Russell Means, and if we get rid of them, we get rid of the Indian problem". (p.132) and I said to him that sounds like what the white nation was calling for in 1876. The extermination of the Indians". Mr. Gors replied "I was not calling for the extermination of the Indians.
