Jennifer,

I just wanted to give you a heads up that I have spoken with my client, and I have provided the client drafts of a Notice of an Event of Default to IMDG and a Conforming Instruction to FCB under the DACAs. Both will be finalized and sent first thing in the morning. In the meantime, please consider this notice of each under the transaction documents and advise your clients to act accordingly. I hope this situation can be remedied quickly. Please feel free to call me to discuss.  
John.
